5 June 2018 10:00-15:30 and 19:30-21:00  
Swindon: venue tbc

### DETAILS:

While it is an open question whether societal change really is happening more quickly today than it did in the past, it can certainly feel that way.

How does one 'do mission' in this context and what practices or virtues for those ministering in such a context are likely to lead to flourishing for all God's people?

Exploring these and other questions, **Revd Mike Pears** (Urban Life and Baptist Minister) and **Dr Andrew Williams** (Lecturer in Human Geography and author of *Working Faith: Faith-based Organizations and Social Justice*, with Paul Cloke and Justin Beaumont)

This exciting day, aimed at clergy, will place particular emphasis on 'reading' the contexts in which those attending are working, and will be followed by an open evening event with **Anna Ruddick** (Eden Network and University of Chester).
